Team Roles

Welcome

Being part of the welcome team who will run the welcome desk and Limitless Elim stand will include undertaking various tasks throughout the week. This role includes booking in youth groups when they arrive, selling merchandise, answering general queries and keeping the welcome and merchandise areas clean and tidy. You will be one of the first people that delegates interact with on arrival at Limitless Festival, so this is a key role in creating the atmosphere for the event. We are looking for warm, social, friendly people for this team – you'll need to be able to keep a smile on your face even in difficult situations or when confronted with challenging situations.

Venue & Prayer

The venue team will be in charge of helping to set up the venues and ensuring they have been set up, cleaned after the celebrations and seminars. This role also includes being part of the prayer ministry team during the celebrations in the youth venue so you'll need to be confident and have some experience in this area to be considered.

Social Area

The social area team will help to create an exciting social space for our delegates to enjoy throughout the week. You will be required to manage crowds, oversee rides and activities and interact with young people, young adults and youth leaders in a lively environment. We will be looking for energetic and friendly people for this role – you'll need to be able to keep a smile on your face even when under pressure or when faced with challenging situations.

Crème Cafe

The Crème Cafe team will be in charge of running the tuck shop as well as running prearranged activities for the young people to take part in throughout the day. You will need to keep the cafe and seating areas clean and tidy throughout the week.

Security & Camping Area Maintenance

This role involves welcoming the delegates as they arrive, manning the entrance gate, ensuring delegates aren't accessing out of bounds areas and enforcing the curfew and camping guidelines. We are looking for warm, friendly people for this role – you'll need to be able to keep a smile on your face even in difficult situations or when confronted with challenging situations, but will also at times need to be assertive with young people who deliberately break site rules.
